

Pricing Guide

Most popular option

BASIC

Prices starting at

\$749

Software Only Solution

Measure your carbon footprint using our award-winning sustainability software. As a software only solution, this package is for those who don't require training or any Sustainability Advisor support services.

FOUNDATION

Prices starting at

\$2,749

Software & Training to get you started

Measure your carbon footprint through our software while receiving **training and Sustainability Advisor support** for direct and some indirect emissions (Scopes 1 & 2). Plus, build an actionable plan to reduce your common emissions.

COMPLETE

Prices starting at

\$4,749

Your Complete Footprinting Solution

Everything the Foundation package has to offer, including direct and indirect Scope 3 emissions with the help of your dedicated Sustainability Advisor.
